Application: IMO Res. A.652 (16) upholstered furniture

The articles presented have been classified according to IMO Resolution
MSC.61(67) FTP Code Annex 1, Part 8.

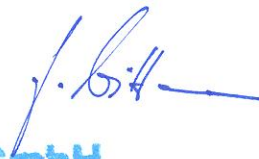

The fabrics pass the test in combination with the foams described in the attachment.

The classification is based on the Test Reports No.RTE561/01 and RTE572/01
of VTT Building and Transport Finland, dated 26.02.2001 and 28.02.2001.
